THE TRAIL BLAZER

VOLUME FORTY-FIVE - 2012 EDITION

Celebrating 55 Years of Sponsoring Hikes and Outings

The TRAIL BLAZER is published each year as a record of the Club's activities and a record of members' hiking accomplishments. In 1956 a group of people who had been hiking under the banner of AMERICAN YOUTH HOSTEL were working on a 22-mile trail. On January 23, 1957, several of them had a meeting to discuss the formation of a new hiking club. They decided to name it THE INDIANAPOLIS HIKING CLUB. The constitution they drafted listed the following: "The purpose of the Club shall be the encouragement of the love of nature; the dissemination of knowledge of the attractions of the out-of-doors; the promotion of outdoor recreation in the form of hikes and outings; and the sponsoring of other activities incidental to the foregoing."

Following the desires of the founders, the Club has remained faithful to the objectives for which it was founded. However, the Club has changed with the times and the desires of newer members.

Over the years the Club has been most fortunate in having dedicated officers to guide the Club. During 2012 the following people spent much time and effort in guiding the Club:

A BRIEF REVIEW OF CLUB ACTIVITIES DURING THE YEAR

The Indianapolis Hiking Club concluded another very successful and event filled year on September 30, 2012. We finished the year with 663 members, down slightly from 2011, which was not unexpected following the passing of long time patriarch Bill Larrison in early 2011. With Bill gone, a number of our longer tenured members who are no longer physically fit enough to hike chose not to renew. Still, we added 68 new members during the year and the Club is as vibrant as ever. During 2012 the Club offered 2,171 hikes - an average of six hikes a day - making us one of the most active hiking clubs in the US. The average attendance was eight people per hike. Collectively we hiked 107,873 miles. In addition to numerous morning, afternoon and evening hikes in and around Indianapolis, the Club visited most Indiana State Parks and State Forests, the Hoosier National Forest, Nature Conservatories, wildlife refuges and numerous rural communities in Indiana and nearby states. Many theme hikes were offered, including wildflowers, museums, monuments, concerts, restaurants, flower gardens and opportunities to learn more about the geography, geology and history of our great city and state.

Following are a few highlights from the past year.

In December, we had a wonderful catered Christmas Party at a new venue and it was a big success. Over 100 people attended and gave the entire event rave reviews. Fifty-five winners of the Club's Annual Achievement Awards were announced at the party, including only the third ever winner of the Bill and Nell Larrison Pinnacle Award – David Kincaid, who earned it for a second time.

Every Tuesday in January saw the Club hiking in the snow through the beautiful forests at Bradford Woods, something we have been doing every January for more than 25 years. All told, 117 members and guests attended the hikes.

The Club's annual winter three-day outing was in mid March at McCormick's Creek SP. A huge crowd of over 70 enjoyed hiking in perfect weather and unseasonably warm temperatures in the mid 60's, a forewarning of a very warm spring and summer.

In April, for the 15th year in a row more than 60 Club members and guests enjoyed a memorable three-day hiking adventure at Smoky Mountains National Park. Jean Ballinger deserves a lot of credit for continuing to organize this fun trip every year. Once again, we will be going back to Tennessee in 2013.

In May, as we have done every year since the mid 70's, the Club visited beautiful Gnaw Bone Camp in Brown County over the three day Memorial Day holiday. Members love bringing their grandchildren to stay in the rustic cabins for three days. We visited Gnaw Bone again in October for our annual Octoberfest hikes.

Throughout the year including the coldest winter months and the hottest parts of the summer, Jeff Edmondson led eight hard hikes on the Knobstone Trail, Indiana's most challenging trail. These hikes attract our hardest hikers and a few of us who aspire to be.

In June, Jean Ballinger and Karleen Huneck organized two days of hiking at Warren Dunes and South Haven in southern MI, followed by five more days at Sleeping Bear Dunes on Lake Michigan in northern MI, considered by many experts as the prettiest place in the US. More than 60 members and guests attended these wonderful trips. The hikes were very varied and the scenery spectacular. Although a few people got seasick on the boat ride over to South Manitou Island in Lake Michigan, everyone recovered enough to enjoy a hike on the island and calm seas on the boat ride back, and of course the wine and beer afterwards.

The Club held its annual picnic in late July at Eagle Creek Park. Over 110 attendees enjoyed perfect weather, a pre-picnic hike and a cornucopia of food. A highlight of the picnic was the donation of Bobbie Mattasits' hiking gear to Club members by her family. Bobbie who is sorely missed passed away in April.

In September, repeating a trip he led six years ago, Narcisso Povinelli hosted 62 members and guests in Estes Park, CO for a week of hiking in Rocky Mountain NP, one of our country's most beautiful parks. Everyone had a great time and the hiking was breathtaking, including high peaks, golden aspens, mountain lakes, lots of elk and a hike in the tundra above 11,000 feet.

In late September, Mary Ann and Bob Layman organized a three-day Club trip to Shaker Village in Kentucky. More than 60 members and guests enjoyed hiking in the scenic countryside, staying in restored Shaker residences or nearby campgrounds, and touring the living museum, which was like stepping back in time to the 1830's. Forty-six people attended a grand dinner at the historic Beaumont Inn. We were lucky enough to be at Shaker Village while an annual fair was in progress, with lots of games, street vendors, music and animals.

The Club year concluded with our annual General Assembly during which the current board was elected.

In addition to the Club sponsored activities, many of our members hiked on their own or with other organizations to interesting and challenging destinations during 2012, including places like the Grand Canyon, the Austrian Alps and Utah. When they return, they entertain us with stories of their adventures.

2013 is shaping up to be another great year for the Club. We expect another 2,000+ hikes to choose from and extended trips have already been planned for Los Angeles, Smoky Mountains NP, Spring Mill SP, Gnaw Bone Camp, Bavaria, Germany and West Virginia. And several exciting trips are already in the works for 2014.
