# THE TRAIL BLAZER

VOLUME FIFTY-SIX – 2022 EDITION (Club hiking year Oct 2021-Sept 2022)

The TRAIL BLAZER has been published every year since 1968. It serves as a record of the Indianapolis Hiking Club's annual activities and members hiking accomplishments. It is also a valuable historical document.

THE INDIANAPOLIS HIKING CLUB was established on January 23rd, 1957. Ten people met and started the Club. They were a group who had been hiking as "Indiana Hosteling" and had been working on the completion of the Yellowwood Trail.

A motion was proposed by Mary Hufford and seconded by Martha Rogers, to name the new Club the "Indianapolis Hiking Club". This passed with a 10 to 0 vote. Kay Zissis was appointed as the first Club President.

The Club was founded to "encourage a love of nature through the promotion of outdoor recreation in the form of hikes and outings".

Over the years the Club has been most fortunate in having dedicated officers to guide the Club. During 2021/2022 the following people spent much time and effort in leading the Club:

# **ELECTED DIRECTORS**

Lorraine Smith Anne Heighway Sue Collins Mary Barbara Miller A giant thank you to many Club members who have contributed and assisted in the preparation of this year's Trailblazer.

We have had a great year. Despite COVID the Club hiked almost every day, initially with strict precautions and phasing these out as the year progressed. For many members hiking was their major activity. We had no major incidents involving Club members.

We joyfully celebrated the 65<sup>th</sup> birthday of the Club in January 2022. What an amazing achievement.

A letter of congratulations was received from Jean Murray in Alaska; she is the wife of one of our 10 founding members, Bill Murray. The Indianapolis Mayor Hogsett attended our Awards banquet to congratulate the Club. We were honored to receive a very special written proclamation from him. The Club has remained strong through of all these years and continues to grow and provide happiness to its many members

#### **MEMBERS**

93 new members were warmly welcomed into the Club during the year.

Their names are listed near the end of this document.

Membership as of September 30, 2022, was 569 compared to 523 on September 30, 2021. This is great news.

During 2021-22 we paid Meet-Up to list some of our hikes on their schedule. This has helped membership increase. Our membership is now solid and above pre COVID numbers.

We would like to congratulate 24 members who have been with the Club for 40 years or more.

# **HIKES**

Club members hiked a total of 88,573 miles during the year. This is more than 3 times around the earth at the equator.

1,711,083 is the total lifetime miles hiked by all those who were members of the Club during the 2021 - 2022 year.

2152 hikes were scheduled for the year, more than 6 hikes every day. 120 of these hikes were cancelled, mostly due to bad weather.

389 of our members hiked during the year.

Once again food was important and was attached to several hikes. Repast is loved by hikers.

### **Hikes completed**

Forty-five Club members completed over 100 hikes during the year. Well done.

# **Historical Anniversary hikes**

Members hiked in two momentous historical hikes.

HIKING CLUB 65th BIRTHDAY

The Indianapolis Hiking Club was established on 23<sup>rd</sup> January 1957. We celebrated the 65th anniversary of the Club's founding on January 23, 2022, by recreating the first Club hike in 1957 led by Bill Murphy the Club's first elected president. This hike was in Holliday Park in Indianapolis. 47 Club members participated in this hike EAGLE CREEK PARK - 50TH BIRTHDAY ANNIVERSARY HIKE

We love hiking in Eagle Creek Park and the Club does over 300 hikes in the park every year. The park was opened 50 years ago by Indianapolis Mayor Richard Lugar on the 10th of June 1972. Our Club hiked twice in the park during 1972. One of these two hikes was led by Ed Lavagnino, who has been a Club member for over 50 years. We celebrated the Park's 50<sup>th</sup> birthday with a 5-mile hike in the park on 10<sup>th</sup> June 2022. Despite heavy rain 19 Club members participated in this event.

#### Long hikes

During the year there were 244 hikes of 10 or more miles in length. Some hikes were tough - Indianapolis Hiking Club members are a hardy bunch. Fifteen members attended a hike on the "get rid of the fat on the scarce o' fat trail" (January 15, 2022) traveling icy road conditions to reach the remote trailhead in Brown County. Endurance is a must for this ten-mile hike, and they all came through with flying colors. Scott Beam completed the 26-mile

three loop trail at Spurgeon Hollow and Theresa Ray, Rita Bymaster, Kae Ramey completed 30 miles on the Vandalia trail.

#### **Out of State hikes**

For the 25<sup>th</sup> consecutive year, the Club spent a wonderful few days in the Smoky Mountains National Park. For the first time, the hikes were moved to Tuesday, Wednesday, and Thursday to avoid increasing crowds later in the week.

In May, 24 members of the Club spent a week hiking in the Scotland Highlands. We did 12 different hikes completing a total of about 60 miles. For the most part rain was not a problem! Several members tested positive for COVID at the end of the hike and had to remain in Scotland for about an extra week before they could return home.

#### **Book hikes**

The Hiking Club Book Club continued to meet monthly, except the two times that Covid concerns prompted cancellations. As well as choosing the hiking routes, a variety of leaders picked book titles that elicited engaging discussions. The hikes remained open to those who had not read the books. Sometimes the leader provided snacks based on ideas from the books (although we were glad that neither crawdads nor caribou were on the menu this year)!

#### Wildflower hikes

A total of 75 hikers enjoyed the Tuesday wildflower hikes in April 2022.

In Holliday Park we enjoyed many blooming White Trout Lilly, Cut-Leaved Toothworts and Hepaticas. The hikers were introduced to the Hairy Bittercress which seems to be abundant this year in grassy areas.

The visit to Mounds State Park in Anderson found beautiful weather. We found Virginia Bluebells blooming and a few late blooming Snow Trilliums. There were hillsides of blooming Hepaticas.

The third hike was on the West Side of Eagle Creek Park, and we observed blooming wildflowers the Large Flowered Bellwort, as well as Dutchman's Breeches.

The last hike was at McCormick's Creek State Park. In Echo Canyon where the soil is more acidic and we found Wood Betony, Partridge Berry, Pussy Toes, and Shooting Stars blooming. In many areas the forest floor was white with the Spring Beauty blooms. Thus ended another April of wildflower hikes which are always enjoyable.

#### Other hikes

The Club continued many traditional hikes including Gnaw Bone. The yearly Winter Weekend for 2022 was held at McCormick's Creek State Park's Canyon Inn. It was the coldest Winter Weekend we have ever experienced, with wind chill of almost zero. Approximately 35 hikers were in attendance. The Winter Weekend of 2022 will be remembered.

There were many other special hikes. These included a tour of the Indiana State capital, ice cream socials, viewing Christmas lights, hot chocolate on Christmas Eve, visiting the dead in crown hill cemetery, viewing historical cars, and an underground Indy tour of the catacombs beneath the city market.

# **CARING CORNER**

Sadly, long time Club members who passed away in 2022 include Barb Strite (5-year Membership chairman), Dick Bacon (led many hikes at Castleton Mall), Claudia Clark (former member who led many woods hikes with her husband Ron), and former longtime member John Woodard. Their memories will live on for years to come. A half-dozen Club members had surgeries this year which included hip, knee, and shoulder replacements. All have done well with recovery.

#### **CELEBRATIONS**

Two former members of the military, Mike Seeman and Jeff Roberts, were honored for their service by being selected for a honor flight to Washington D.C. this summer.

Allan Roberts broke the Club record of miles walked in one year. He hiked for 3,718. We do not know how many pairs of shoes were consumed.

#### **INDIVIDUAL MILES HIKED**

Many members continued to hike endless miles and covered remarkable distances.

Eleven active Club members, with tired feet, are recognized for having hiked over 20,000 lifetime miles.

#### SOCIAL

Our three traditional gatherings were all well attended and greatly enjoyed. The winter banquet was again held at the Nativity Catholic Church, and the annual picnic in Eagle Creek Park. At the Annual General Meeting we received great education from Anne Cecere, who is the volunteer coordinator in the Eagle Creek Park and is an authority on the history of the area before the Park opened in 1972.

#### **FINANCES OF THE CLUB**

We began the year with a bank balance of \$11,427.93 and ended with \$12,381.28. This was only the second year in the last six where Income exceeded expenses. Our biggest expenses are Mailings (Schedules, Rosters & Membership Info) at \$4,790.97 and Insurance at \$3,372.00. As we have done for several years, the Club made a \$500 contribution to Eagle Creek Foundation. This allows the Club to be listed as a supporter on most of the Park's publications. Because it was the 25th year that the Club has hiked in the Smoky Mountains, we contributed \$250 to the Smoky Mountain Park Foundation. Over the last few years, we have reserved monies if we would need to hire someone to manage our website and database. We currently have \$5,000 in that fund. We also reserve \$3,000 for the General Budget because our income does not always meet our expenses. This leaves an expendable balance of \$4,346.94.

Membership dues are the main driver for income, so we are continually reviewing it to keep the Club viable.

#### **COMMUNICATIONS**

Club communication continues to be excellent with constant improvements. Our web site Is always up to date and praised for its content and ease of use. Computer mileage entry by hike leaders is almost 100% and this electronic entry provides endless data and information at the end of each year. The bimonthly schedule is always on time, providing a large amount of hike and other information. A new committee is working on further improvements and to improve and ease the use of our database.

In addition to our presence on the www at indyhike.org, the Indianapolis Hiking Club maintains an extremely popular Facebook page. Posts occur almost daily and include photos of hikes which members have attended and other Club activities. Other posts include articles about hiking safety, popular places to hike in Indiana and elsewhere, and Boots McFarland cartoons. An extremely popular item has been Throwback Thursday and Flashback Friday which includes photos of past hikes and Club activities. Currently we have over 2600 Facebook Followers.

#### **PUBLICITY**

Much has been happening with the Club publicity! Business cards and pamphlets have been placed at Starbucks, area libraries, and fitness places. They are also handed out to nonmember hikers we see on hikes.

The Club participated in two visits at the McCloud Fall Festival in October 2021 and October 2022 promoting the Club. There were many interested visitors who share a love of hiking.

Copies of our 60<sup>th</sup> anniversary history book have been donated to area Indianapolis libraries as well as nearby libraries in Greenwood, Avon, Fishers, Noblesville, and Brownsburg. The libraries were thrilled to receive them!

A PowerPoint presentation was made to a group of patrons at the Greenwood Library showcasing the Indianapolis Hiking Club

In August Marla Zinkan and Rick Wortman made an appearance on Wish TV Channel 8 for their "Life Style Live" television show. Randy Ollis and Amber Hankins interviewed them about the hiking Club and the benefits of hiking in outdoor Indiana.

The Hiking Club has been publicized twice in the AAA Crossroads January/February 2022 edition and a second time in the Southside Outdoors October 2022 edition. Marla Zinkan and Glee Crowder were both interviewed for the Southside Outdoors.
