The 2018 dues will be the same as last year, \$20 for an individual and \$30 for a family. Please return the dues notice with your payment. If you misplace the notice, print another one from the Club website at [www.indyhike.org/forms](http://www.indyhike.org/forms). **AWARDS BANQUET RESERVATIONS:** Included with your annual dues notice is a reservation form for this year's Awards Banquet (see President's Corner) on Sunday, December 3. The Banquet is open to all Club members and their guests. Advance reservations are required since this will be a catered event. Party details are on the reservation form. This year's menu will be similar to last year including delicious salad, entrees, sides and desserts. As we do every year, winners of annual Achievement Awards and new 25-year members will be recognized. Please send in your reservations no later than November 25. Use the same envelope we provided for your annual dues. If you misplace the reservation form, you may print one from the Club website "forms" page. **JOIN US FOR A SPECIAL DAY:** On Thursday, October 26 before the very popular Eagle Creek Park hikes we plan to celebrate four very special ladies: Joanne Applegate, Anna Gering and Mary Lester who all turned 90 years old this year, and Betty Shookman who is 93. Remarkably, they are all still active hikers. Plan to join us and be part of the celebration.

**PRESIDENTS CORNER:** December Party - At the July Board meeting I introduced a resolution to rename the early December Hiking Club gathering to reflect the purpose of the event which is to recognize members' achievements from the past hiking club year and present awards accordingly. The Board voted unanimously to rename the event the Annual Awards Banquet.

Access a Google map pointing to the hike meeting location at [www.indyhike.org/locations.shtml](http://www.indyhike.org/locations.shtml), if you see a reference at the end of a hike description in the following format (Map #24).

Mileage – As I reported in the June/July President's message, mileage is no longer being entered into the mileage database by just the Mileage Officer. This new feature allows hike leaders to enter the mileage for the hikes they lead. Currently, 25 hike leaders take advantage of this streamlined process. Since only Club members are in the mileage database, hike leaders can't record non-member mileage. This includes visitors and minor guests. Club members who have minor guests are encouraged to record and track the mileage of their minor guests. If the minor hiker qualifies for the Junior Hiker Award (100 miles before his/her 18th birthday), please notify the Mileage Officer. The Club will recognize this achievement with the Junior Hiker Award.

Hike Leaders - The Board has reaffirmed it is the sole discretion of the hike leader to determine if conditions are suitable and safe for a hike to begin, how many miles the hike will cover, and what mileage will be awarded to each member who participates in the hike. This includes the mileage awarded to any member who doesn't complete the hike with the hike leader.

Summary of Board Actions - A new document has been included in the archives section of the Club's website that lists all of the major Board of Director approved actions with a brief description of each item from October 2008 to the present. Mervyn Cohen, Club Secretary, conducted the extensive research behind this document, as well as generating the document itself. Thank you, Mervyn.

Annual Picnic - The annual Hiking Club picnic, planned and coordinated by Janet Cohen, Social Chairperson, with assistance from Mervyn Cohen, was held on July 29th. The weather was marvelous and attendance was around 100 members and guests, including over 50 who participated on the morning hikes. It was one of the largest picnics in recent memory. Besides outstanding food and pleasant collegiality, the event garnered generous donations of school supplies, cash, and picture dictionaries. All donations were given to local tutors that work with young Somalian and Burmese refugees. Their families arrived legally in the United States with virtually nothing and need assistance as they work to become productive members of their new country and communities. Thank you, Janet and Mervyn.

Hike Attendance Sheets - With many hike leaders now entering mileage into the mileage database it is more important than ever for hikers to print (preferred) or write their name legibly on the hike attendance sheet. Leaders, please make sure that the correct date is recorded on the sheet. With the end of the hike year coming soon (September 30th), it is important that all hikes are entered into the mileage database on or before October 1st. The work of preparing end-of-year reports and generating award lists will begin immediately after October 1st.

See you on the trail,  
Phil Smith  
IHC President

**MEMBER NEWS:** We extend our sympathy to the family and many friends of ...

Long-time member Rory Wyss who passed away on Saturday, July 29, after a long and courageous battle with cancer. Rory joined the club in June 2000 and hiked 7,888 miles.

Allen Wilson whose 91 year old mother passed away in South Carolina on September 1.

Beth Holden passed away in early September. She and her husband Don were long term Club members.

Betsy Friedenbergl whose dad passed away on September 16.

Also, all the best to the following members:

Uschi Nicola who recently had a hip replaced and then while home recovering broke her thigh (femur) bone.

She is recovering in a rehab facility.

Chuck Turner, our Director of Conservation, had a heart attack on August 27. Luckily there appears to be no heart damage. He did have several stents put in place on August 30 and was released from the hospital the same day. Isn't medical technology amazing?

**NOTE OF APPRECIATION:** All 34 hikers who attended the Solar Eclipse hike on August 21 would like to thank Marsha Hutchins for organizing the event and for purchasing solar eclipse glasses for everyone who did the hike. It was a fun and educational experience.
