

INDIANAPOLIS HIKING CLUB HIKE LEADER INDEX

Updated 10/15/25

Following is a list of IHC hike leaders and the hikes they led from January 2000 through October 2025. The list is sorted by hike leader. Each entry includes the date the hike description last appeared in a schedule, the hike title and the distance. Only the most recent occurrence of a hike is shown. The Pathfinders use this list to find hike descriptions in past schedules. If you are interested in obtaining a hike description that appeared in a past schedule, please check the schedules saved on the Hike Schedule Archives page (find link on the Archives page). Sorry if the hike predates January 2000, we have no index to assist you find the leader. All the Club schedules, dating back to the first one published in February 1957 have been saved on the website and are available for you to peruse.

Note: Numbers in parenthesis indicate hike mileage.
