
John Behrmann	1 overnight,	28 hikes,	total of 229 miles
Harrison Feldman	2 overnights,	27 hikes,	total of 211 miles
Bert Roth		32 hikes,	total of 218 miles

These are accomplishments for the rest of us to strive for. However, there are many who either do not have the time, or are not physically able to do such extensive hiking. The pleasure is still there to be out-of-doors and to do some hiking whenever possible. The hiking club is for all the members, so come out whenever you can and enjoy the activities and friendship that await you.

Our first overnight of the 1975 year was in October at Shakamak State Park. As usual the color was great, and our pitch-in supper at the Log Cabin recreation building was enjoyed by all, with games and songs climaxing a fine evening. It was a pleasant weekend during the autumn change of season.

Our Christmas party pitch-in supper was a huge success at the 49th Street Christian Church. Our thanks to the Church for permitting us to use their fine facilities.

On February 15 the club journed to Turkey Run for a winter overnight. There was a lot of hiking even though the trails were snow covered and icy. Some of the canyons really had some record-setting icicles hanging from the sides.

The last of April we spent a weekend with the Louisville Club at Camp Pyoca near Brownstown. Lots of fun with our friends from Louisville, and everybody enjoyed the square dancing under the direction of the Scobees from Louisville.

Back to Gnaw Bone with the Lorenz' as hosts for the Memorial Day weekend. Plenty of swimming between all the hiking, since it was good and hot. The beauty of Gnaw Bone Camp is something we all look forward to as a splendid way to start the summer season.

Burr Oak Lodge and State Park near Athens, Ohio, was the scene of the Labor Day weekend. Superb facilities enhanced the pleasure, and even the summer storm added to the fun. The film about the natural areas of Ohio by the park naturalist was an interesting highlight.

The annual picnic was held at Eagle Creek Park, and even though it was July 12th, the weatherman got confused, so it was too cold to swim. Plenty good for hiking and eating!

The regular scheduled Sunday hikes throughout the year varied from 2 miles to 20 miles, and from easy afternoon walks to rugged all day challenges. Something for everyone. And we can make it even more so with your help. Please help the Pathfinder keep the activities interesting and varied.

We are now in our 20th year. Lets all help the club in 1976 and make it the greatest year ever. We can be a part of the "Back to Nature" movement during the Bi-Centennial Year, if we observe one of the main purposes of the Indianapolis Hiking Club as defined in Article II of the club constitution: "the encouragement of the love of nature"
