

THE TRAIL BLAZER

The Indianapolis Hiking Club

Happiness - A Step at a Time

VOLUME SEVENTEEN NO. ONE

1985 EDITION

This yearly report to the members is the method by which the history of the Indianapolis Hiking Club is chronicled and kept up to date. The club enjoyed an exciting and interesting schedule of events last year, as it completed the 28th year of existence, following the purpose for which it was organized; "To encourage a love of nature, through the promotion of outdoor recreation in the form of hikes and outings, and to sponsor other activities incidental to the foregoing". Any organization needs the participation of individual members to be strong and vibrant, and the Indianapolis Hiking Club excels in this respect. The active and enthusiastic support of a large percent of the membership has helped to make the club the outstanding outdoor recreation group in Indiana.

The total paid up membership at the end of the year was 368. During the year the club sponsored 198 hikes, and 3 overnight outings, the summer picnic, the Christmas Party, and a backpack. There were 4 General Assembly meetings, which are the business and social general meetings of the members. Various items of interest are presented by the officers, including the current financial report, and the members are informed of recent decisions by the board of directors. The September General Assembly is also the meeting for the election of officers for the new year. Speakers with programs of interest are arranged by the social committee for the entertainment of the members following the business section.

Each year the club has always had capable and dedicated people as officers to direct the activities. Many hours are spent in work behind the scenes to make the club a success. The support of the members is really appreciated and makes the hard work all worthwhile. The following people served as officers during the year ending October 1, 1985.

Over the years the Indianapolis Hiking Club has always planned schedules in response to the requests and suggestions of members. THIS IS YOUR CLUB!! YOUR SUGGESTIONS AND ADVICE FOR THE GOOD OF THE CLUB IS ALWAYS WELCOMED BY THE OFFICERS. The pathfinder in particular is always searching for new and interesting areas to hike. The club needs a variety of hikes and activities to meet the needs of the varied membership - long and rugged hikes, as well as short and easy ones - and many others in between these extremes. YOUR HELP IS NEEDED in planning the future of the club.

Members of the club who have achieved special goals in hiking are recognized each year. Listed below on the SPECIAL HONOR ROLL are all who have hiked more than 200 miles during the year, or have been on at least 20 hikes.

Congratulations to all who made the Honor Roll. There were many others who came close. The club has many active and valuable members who for one reason or another are unable to do all the hiking they might like to. Please come out to the activities as often as you can - all the members are important to the club.

HIKE LEADERS!! They need to be recognized and appreciated. They are the backbone of the club. They not only lead us on hikes, but they spend much time in scouting the trails looking for variations and exploring for new areas to hike. The club wants to especially recognize and thank those leaders who led 5 or more hikes during the year.

These leaders led for about 160 hikes out of a total of 198 hikes during the year. Sometimes there are 2 leaders on a hike, so therefore the total number of leaders will add up to more than the total number of hikes.

THE SUMMER PICNIC

On a nice summer Saturday late in July, the members found themselves at the Mary Gray Bird Sanctuary for a day of good hiking and good eating. This beautiful 600 acre park owned by the Indiana Audubon Society was indeed the proper setting. About 23 hikers came early for the morning hike, and the rest arrived around noon for the pitch-in picnic and general good times. We ate in the Markle Barn overlooking one of the lakes.

THE ANNUAL CHRISTMAS PARTY

Again we met at the Covenant Presbyterian Church on a Saturday early in December to enjoy the companionship of good friends in celebration of the Holiday season. What a huge success was the pitch-in dinner, where many of the "Chefs" of the club vied with one another to see who could produce the most delectable creation. What a treat! Many indulged a little too much - but that is the way with Christmas parties. GERRY GRAY and JERRY HAMMONS entertained us with their songs of the season - playing the dulcimer, the auto harp, and the guitar. And we joined in singing some of the carols. Santa Claus showed up again, and passed out apples along with a lot of hearty HO, HO, HO's.

WORK ON THE KNOBSTONE TRAIL

On a warm day in June, members of the club worked on trail maintenance on the Knobstone Trail. Under the direction of Chris Donovan of the Department of Natural Resources, the following people headed by Al Drehobl labored in the area of Elk Creek - Fred Eckstein, Bill Larrison, Hugh Weber, Jill Harmon, Henry McFall, Pat Fox, Shirley Plunkett, Tom Palmberg, Louise Crandall, Al Crandall, Charles Brunette, and Bill Isham. The Knobstone Trail is of particular interest to the club, as the club has worked on it several times in recent years, and many have hiked the various sections of it.

REVIEW OF THE SCHEDULED HIKES

Self guiding as well as guided hikes were sponsored for each week in the month for various months in the year, repeating with the directions referred to on the first day of the hike. October found us at Ellenberger on Tuesday evenings for self-guided hikes with Ursula Breeding. During January, self-guided hikes from Devington with Charles Brunette. In February and into March we met at Eagle Creek on Tuesdays and Saturdays with Libby Moore. Mary Kidwell continued leading us on Wednesdays at Eagle Creek. During June the Begemans had White River Parkway hikes Tuesday evenings. Met for the Thatcher Community Levee hikes on Tuesdays in July with the Thompsons. And then on Wednesdays Jim Stern had self-guided hikes from Broad Ripple. During August Carol Sutcliffe led the Riverview hikes each Wednesday, and during September back to the self guided hikes from Ellenberger with Ursula Breeding.

We started our regular scheduled hiking with Libby Moore's backpack in October at Hoosier National. Then followed Ed Chambers at Morgan-Monroe. Climbed the hills of Knob Lake at Jackson Forest with Bill Larrison. Tom Patterson took us from Glendale to the Circle. Saw Jim Stern's Flowing Well, then on to Village Farms, and ended October following Tom Palmberg from Metamora to Oldenburg.

November began at Gnow Bone Camp. Betty took us down Fall Creek, and then we learned orienteering from Bob Begeman at Hoosier National. Rose showed us Morse Reservoir, and Bob Begeman led us down the Bloomfield Brick. Way up north to Potato Creek with John, and then down south with Al to Deam Wilderness. Jim Ernsting explained the architecture of Columbus to us, and we ended November at McCormick's Creek with Mary Kidwell.

The Christmas month began at New Castle with Betty Woodward. Visited Washington's Drummer Boy with Bob Pedigo, and saw the Hoosier Dome with Alberta. Explored the Yellowwood Trail with Charlie Brunette, and then Tom Patterson started across the state, Parts I and II. Shopped a couple of centers, and took a Christmas day hike at Ellenberger.

JANUARY WAS COLD. But we kept on hiking. Dorothy Field hiked along Fall Creek, and we followed Joe Wilhelm to Sweetwater and Cordry. Saw Shannon lake, and then took a trip along the canal and White River. Hiked with John Behrmann to the fast food stores in Greenfield late in January.

February found us at Devington with Charlie. Linda took us to Eagle Creek, and Al Drehabil showed us East Indy a couple of times. IUPUI was next with Joe Lehman. Visited Eagle Creek several time during the month, and ended up February with Carol Sutcliffe walking around the Meridian Kessler area.

The winds of March found a few of us continuing to march across the state - Parts III and IV. Went to Eagle Creek several more times, and also hiked along the canal. Bob Begeman took us on a hike along the shores of Geist Reservoir. Alice Brink showed us Holliday Park. Al hiked the rugged Ten O'Clock line. Harrison took us again to Mississinewa, and then we visited the Indianapolis Symphony.

In April we saw wild flowers at Morgan-Monroe and at Turkey Run. And we also finished the trek across the state. And then Al Drehabil showed us the Crosley Fish and Game area. And Marge and Bob went back to Hickory Ridge for some hiking. Visited Jackson Forest and then on to Martin Forest with Ruth Schroeder.

May found us in Illinois on the Lincoln Trail and the city of Springfield. Went to Morgan-Brown County with Margret. John Behrmann hiked us along the Yellowwood Trail. Saw the "highest" point in Indiana. Trudged along the Knobstone Trail a couple of times, and ended up at Raccoon Lake.

Took off south in June to Harmonie State Park and the Muskhogen Trail near Evansville. Enjoyed the trails at the Hays Arboretum with Nell. Took the ridges of Clark Forest with Al Drehabil. Hugh Weber took us to Ruster Park. Jim Stern showed us the historic north and south sides. Followed John and Charlie along the Wabash Heritage Trail. Went to Tippecanoe Park, and then to Crown Hill.

July found us at Versailles Park and at Mounds Park. Walked along the back roads near Mooresville with Carol. Explored the historic community of Metamora with the Pulsifers. Did some hiking along Riverview, at College Park, and along the White River. Went to Turkey Run with Mary Kidwell to finish July.

We began August at Terre Haute with Tom Palmberg. Clark's advance trail was an interesting hike with Bob and Marge. We visited several of our State Parks, Shades, Shakamak, and Lieber. And also the State Museum. And back to Deam Wilderness again with Al.

Went to Jackson-Washington in early September with Al. Robin showed us Kokomo area, and then Marge Begeman took us to Spurgeon Hollow. The Williams Dam and Bridge was hiked with Al Drehabil. Betty took us to the Wilbur Wright Memorial. September 22nd we went to Morgan-Monroe for the traditional Ed Chambers birthday hike. Ended the year's hiking with Bob Begeman at Crooked Creek.

THE OVERNIGHT OUTINGS

The club has several overnight outings each year. There are interesting programs at each of these events, in addition to all the hiking. In the informal atmosphere of a Lodge or Camp, it is pleasant to visit with old friends and make new ones during the weekend.

WINTER OVERNIGHT AT HUESTON WOODS STATE PARK

This beautiful park just north of Oxford, Ohio, was the scene of the February overnight. About 60 people enjoyed the hiking and activities. Arriving just 3 days after a major snow storm, we found the parking lot almost covered. But the snow only added to the excitement of the weekend. We got in about 12 miles of hiking, following the roads which had been cleared. For the evening program we listened to Mike Wright of the Park Service as he entertained us with some pets - "LARRY" the owl, "THUMPER" the skunk, and a red tail hawk. His presentation was both humorous and enjoyable. Sam Lloyd followed by showing some slides - some really good ones of members at various activities of the club.

GNAW BONE CAMP ON MEMORIAL DAY WEEKEND

This was the 15th annual sojourn to Gnow Bone, and many look forward each year to "returning home". The first order of business was to find sleeping quarters and a place to dump the sleeping bags, then we are free for whatever is in store. About 70 people plus a number of day hikers enjoyed the weekend. We started out with the usual Saturday afternoon hike which helps the newcomers get oriented. After the evening meal, we were entertained at the outdoor amphitheater by Gerry Gray and Jerry Hammons. The evening was warm and pleasant and the couple had the audience in the palm of their hands. Gerry formed a kitchen band with enthusiastic and loud help from various people in the audience. It was a wonderful evening of songs, and we ended by all singing the Club Song. Sunday morning, after the worship service, John Williams led the group on some of the trails of the Camp, with Bill Larrison taking a group back on a shortcut trail. Sunday afternoon at Gnow Bone as always is set aside for leisure - boating, swimming, horseshoes, lawn bowling, volley ball, perhaps reading a good book, or just plain loafing. We gathered at the "GNAW BONE PALACE" Sunday evening to watch as the GNAW BONE PLAYERS presented the "BACK WOODS REVUE" What a bunch of hams! Featured were such acts as "THE CAN'T CAN'T DANCERS" - the BLISTER SISTERS fresh from the Gong Show - The GNAW BONE HONKERS featuring DORA the mouse. Also the SIMPLE-PHONIC ORCHESTRA - and MARIE WEBSTER in a couple of hilarious skits. The entertainment ended with "AN ODE TO MISS LIBERTY" - a patriotic salute to a "GRAND OLD LADY" We had an inspiring Memorial Service Monday morning as in the distance we heard the sound of taps as played by Allen Pekar. Then came the Monday morning hike. After the noon meal, many gathered to talk and reminisce before heading for the mundane world back home.

NATURAL BRIDGE STATE PARK - LABOR DAY WEEKEND

This 3 day weekend outing was held in eastern Kentucky at beautiful Natural Bridge State Park. About 50 people were there to take the trails through the rhododendron leading to the bridge. Breathtaking views were everywhere from look out points on the upper rim. All 3 days were spent hiking in various sections of the park. The staff at the park had provided us with a private meeting room for our use, where we had a church service on Sunday morning. Our hospitality hour Sunday evening was in this room before eating dinner. Below Hemlock Lodge, which is situated on a ledge partway up a steep hill, is the lake and swimming pool. We got plenty of exercise walking up and down the connecting pathway. In the lake was Hoedown Island, where the square dancers of the region congregate. Many enjoyed watching the dancing both nights. After breakfast on Monday, and the morning hike, we all felt it was time to take leave of this spectacular area of Kentucky. It had been a most enjoyable weekend.

The activities for the past year are listed on the following pages, including the hikes and outings, and overnights. Following that is a detailed listing of the mileages of all the members (including children who hiked).
