

THE TRAIL BLAZER

The Indianapolis Hiking Club

(Happiness - A Step at a Time)

VOLUME TWENTYTHREE
1991 EDITION

In January 1957 a group of hikers who had been working on the Yellowwood trail in Brown County decided to organize a hiking club. After some discussion the name "Indianapolis Hiking Club" was adopted. When later writing a constitution the purpose of the Club was listed "To encourage a love of nature, through the promotion of outdoor recreation in the form of hikes and outings, and to sponsor other activities incidental to the foregoing".

The Club is a leader in outdoor recreation and during the past year sponsored 337 hikes, 2 backpacks, 2 weekend outings, and a summer picnic. There was also the Christmas party, as well as the four General Assembly meetings. Total paid up membership was 455 people.

The officers of the Club spend much time and effort in directing the activities. They appreciate the help and encouragement from members as this has aided in keeping the Club in tune with the desires of the hikers. Listed are last year's officers.

BE AN ACTIVE MEMBER AND SUPPORT THE CLUB. If you have ideas for new areas to hike in, please get in touch with the Pathfinder who will be happy to work with you in planning a hike. The Club always welcomes variety in the schedule. The Social officers always appreciate also any suggestions from the members, both in the planning of programs, and in helping with the refreshments.

The HIKING HONOR ROLL is a list of the members who have hiked at least 200 miles during the year, or have participated in at least 20 hikes. Many members for one reason or another can't hike enough times to make the Honor Roll. The Club does not judge by the mileage that is hiked. All members are valuable to the Club. Come out whenever you can and join us on a hike.

You are urged to take part in other Club activities such as the Christmas party, the summer picnic, and the General Assembly meetings. You will enjoy visiting with other members in a social atmosphere at such Club affairs.

SPECIAL ACTIVITIES

GENERAL ASSEMBLY MEETINGS - During the year there were four General Assembly meetings. These were open to all members and their invited guests. The meetings were excellent times to meet with other members on a social basis, and to learn about plans for the Club, as well as to enjoy a good program. The November meeting featured Roger Hedge of the DNR with an illustrated slide talk of Natural Features of Morgan-Monroe Forest. A.T. Mulberry showed slides at the March meeting of a backpack in Wyoming along the Wind River range. In May the program was on the Knobstone Trail, featuring the director of Streams and Trails, Mike Martin. This was most timely as two days later on Saturday a group from the Club did maintenance on the trail near Elk Creek. The September meeting was the occasion for the election of officers. The program that evening featured Thomas Patterson presentation of a slide show about a South America trip and Antarctica.

ANNUAL CHRISTMAS PARTY - The "Bell Tones" from Yorktown United Methodist Church played music on the bells in keeping with the holiday season. An unusually large turn-out enjoyed the evening of good friends and good food. Santa Claus (Win Pulsifer) gave out apples as presents. Thanks to Gene Waltz and Bill Flora for the apples.

ANNUAL SUMMER PICNIC - On a Saturday in July we met at Shelter House "B" in Eagle Creek Park. The hikers took off at 10:00 AM and the rest of the people arrived later during the morning. After the pitch-in meal, Win helped to keep things going by arranging a watermelon seed "spitting" contest. We're not sure who won.

WORK ON THE KNOBSTONE TRAIL - On May 11th, some 7 members of the Club met at the Elk Creek trailhead for work under the supervision of Mike Martin of the DNR. Richard Field, the staff photographer, took some excellent pictures which were featured in the next issue of OUTDOOR INDIANA, the publication of the DNR.

WEEKEND OUTINGS

SPRING MILL STATE PARK - There was great hiking during the winter weekend at Spring Mill. The weather was ideal. Enjoyed the social hour Saturday evening before dinner, moving from the Tipton's room to the Weatherman's. Tim Cordell, historian at the Park, had prepared a movie of the early days in the area for our evening program. It was most enjoyable.

GNAW BONE CAMP - Our 21st time at Gnow Bone. The usual orientation hike on Saturday afternoon. That evening, after supper, Jim Ernsting and his cloggers showed us some high stepping in the Shelter House. Sunday morning was spent hiking, then the afternoon was free for enjoying the camp, particularly the lake area. Just before supper we had social get-together on the lawn in the cabin area near the stream. That evening we gathered at the Amphitheater to enjoy the musical magic of Gerry Gray, Jerry Hammons, and G.R. Davis. Monday morning we gathered at the flag pole and raised the flag while reciting the Pledge of Allegiance. Then Hazel Morrison talked about the meaning of Memorial Day, followed by the playing of taps by Allen Pekar. And after the morning hike and lunch, it was time to go home.

The Trail Blazer is published each year as a part of the Club's history. On the following pages is a listing of hikes and mileages of all the members. New members voted in during the year are at the end of the member listing with the month of admittance. There is also a listing of children and grandchildren (under 18) of members. The Club is indebted to membership chairman, Karen Chandler, and to the pathfinders, Pat Foreman and Al Drehoobl, for all the hard work in keeping track of members, and in presenting a schedule of hikes.
