

THE TRAIL BLAZER

The Indianapolis Hiking Club

(Happiness - A Step at a Time)

VOLUME THIRTY NO. ONE

1998 EDITION

The Trail Blazer is published each year by the Indianapolis Hiking Club as a record of the hikes, outings, events, and achievements of the Club and of the members. Although the Club was founded in January of 1957, the annual history was started in October of 1967, the year the Club started keeping track of member's mileage.

Following the purpose of the Club as stated in the Constitution -- "To encourage a love of nature through the promotion of outdoor recreation in the form of hikes and outings, and to sponsor other activities incidental to the foregoing" -- the Club scheduled 729 hikes, 5 weekend outings, a picnic, a Christmas party, took part in Take Pride in America Day, and participated in a health fair. Also there were two general assembly meetings for the benefit of all the members.

The Club has always been fortunate in having dedicated people to serve as officers. Listed below are the people who directed the activities of the Club last year. They really appreciated the help and encouragement from so many members of the Club.

SPECIAL SCHEDULED EVENTS

ANNUAL CHRISTMAS PARTY - On December 6th the Club met at Baker & Daniels downtown offices for the annual Christmas party and pitch-in dinner. So many delicious foods from many favorite recipes. The Christmas lights in downtown were especially beautiful when viewed from the 27th floor observation area. A pianist played during the dinner hour and provided music for the singing of carols afterward. Thanks to Brian & Donna Burke for arranging such a delightful evening.

ANNUAL SUMMER PICNIC - Shelter "B" in Eagle Creek Park was again the place for our picnic. Hikers took off at 10:00 AM. After the hike we gathered around for the pitch-in picnic. Many came just for the food and companionship. Very interesting items in the food line from many favorite recipes. What a beautiful day in the park to hike and visit with friends on this last weekend in July.

GENERAL ASSEMBLY MEETINGS - The April 15th meeting was at Baker & Daniels and featured Suzanne Mittenhal, director of the Hoosier Hiker's Council. She discussed, with pictures, the Knobstone Trail, particularly the proposed extension to 150 miles. On September 10th we met at the Marten House Hotel for the election of officers. Our featured speaker was Beth Wathen of St. Frances Hospital Food & Nutritional Services. She discussed the role of food in good nutrition. Good questions and answers at both meetings. These assembly meetings are opportunities for newer members to visit with older members and to learn more about the Club. Refreshments are always served.

WEEKEND OVERNIGHT OUTINGS

MCCORMICK'S CREEK STATE PARK - The winter overnight in early February was enjoyed by some 50 members and several day hikers. The weatherman cooperated and we got in about 16 miles of hiking. The social hour in the Oak Room was the scene of a lot of talking as people visited as they enjoyed some snacks. After dinner on Saturday our program featured Marquita Manley, park naturalist, who gave quite a history of the Park. Many questions and answers followed.

GREAT SMOKY MOUNTAINS PARK - Thanks to Jean Ballinger for arranging this weekend. Some 27 members and guests enjoyed the beauty of the Park. The climb to Mt. LeConte was rewarded by the snow left over from 9 inches the previous day. There was rain, hail, but still lots of sunshine. Many trails were hiked and it was a great weekend.

GNAW BONE CAMP - We celebrated our 28th year in a row at Gnow Bone Camp over the Memorial Day weekend. 70 members and guests enjoyed the beauty of hills of Gnow Bone in Brown County. There was some rain, but none on the hikes, and none on the cook-out on Sunday. Saturday evening found us in the shelter house enjoying the music of Maxine Hays as she played old familiar favorites on the Saw. Many decided to try this, but its harder than it looks. Our program Sunday evening featured the Johnson County Folk Singers. We pledged allegiance at the flag raising on Monday morning, while Allen Pekar played taps on the trumpet. Got in some 20 miles of hiking during the weekend.

MAMMOTH CAVE BACK PACKING - On a weekend in the middle of June some 18 members and guests hiked and socialized at Mammoth Cave. Thanks to Carol Barnes for this event. Some got in as much as 40 miles of hiking. Everybody enjoyed the campfires. It was a great weekend.

STARVED ROCK PARK - We spent Labor Day in September at this beautiful Park in Illinois. Had a social hour Saturday evening, and a slide program Sunday evening featuring Sam Lloyd. This Park is on the Illinois River, which has many barges and other river traffic on the way from Chicago to the Mississippi River and points south. Watching from a vantage point on one of the trails, we saw how the barges go through the locks. Alice Roth is an expert on this and will explain it to anyone who wants to know how the locks work. Got in 18 miles of hiking on some very interesting trails.

Following that is a listing of the hiking activities of children and grandchildren of members. This is for the children who hiked during 1998.

The Club is indebted to many people whose hard work and dedication to the Hiking Club has made this publication possible. Our thanks to the pathfinder, Marsha Hutchins and to the membership officers, Jean Ballinger and Jim Griffin, both of whom kept track of our members.
