

# THE TRAIL BLAZER

## The Indianapolis Hiking Club

(Happiness - A Step at a Time)

VOLUME THIRTY TWO NO. ONE  
1999 EDITION

The Trail Blazer is a record of the activities of the Indianapolis Hiking Club each year. The Club will be 43 years old in January of 2000. A group of people who had been working on the completion of the Yellowwood Trail met in January of 1957 and organized the Indianapolis Hiking Club. As stated in our constitution the purpose of the Club shall be "To encourage a love of nature through the promotion of outdoor recreation in the form of hikes and outings, and to sponsor other activities incidental to the foregoing".

Over the years the Club has been a leader in outdoor recreation. Last year there were 753 scheduled hikes, 5 overnight outings, a summer picnic, and a Christmas party. There were also two General Assembly meetings open to all the members. Total membership 586.

A Club such as ours needs dedicated people to direct its activities. Listed below are the outstanding group of members who served as officers last year. They really appreciated all the help and encouragement they received from the members.

#### SPECIAL SCHEDULED EVENTS

ANNUAL CHRISTMAS PARTY - December 5th found us at Baker & Daniels downtown offices for a delightful evening hosted by Brian & Donna Burke. The decorations were beautiful, and the downtown lights as viewed from the observation floor were spectacular. As usual we had so many delicious foods from favorite recipes. It was a lovely evening.

ANNUAL SUMMER PICNIC - Again this year we met in Shelter "B" at Eagle Creek Park. The hikers took off in the morning for a hike around the area. After the hike we enjoyed the pitch-in - such good food!! There were some games as usual. What a good time to visit with friends and enjoy the beauty of the Park.

GENERAL ASSEMBLY MEETINGS - The meeting on March 11th was at the Knights of Columbus Hall on west 71st street. The featured speaker was Tamara Alberston who is a reflexologist and massage therapist in the Broad Ripple area. An interesting talk about a stress free life and techniques for relaxation. Refreshments were served. On September we met again at the Knights of Columbus Hall for our annual election of officers. Michael Atwood, executive producer of ACROSS INDIANA on Channel 20 TV was the speaker. It was interesting to learn how TV programs such as this are prepared and produced. There are very many "behind the scenes" problems. Refreshments included a birthday cake for Bill Larrison.

OVERNIGHT OUTINGS

MCCORMICK'S CREEK STATE PARK - Some 55 members and guests enjoyed this winter weekend in February. Good weather and lots of hiking. The Sycamore Room was where we met for the social hour to talk and enjoy the friendship of others while we snacked. After dinner we met again in the Sycamore Room for an interesting program presented by the Park naturalist Marquita Manley.

GREAT SMOKY MOUNTAINS NATIONAL PARK - Some 30 people enjoyed the beauty of the Smokies in the middle of April. Hikes of varying degrees of difficulty. People stayed in various accommodations in Gatlinburg and met each day at the Sugarlands Visitor Center for the hikes. Mt. LeConte was a popular destination for many. The appalachian area is always beautiful.

GNAW BONE CAMP - This was the 29th year to be at Gnaw Bone over Memorial Day. Some 60 members and guests and over 30 day hikers enjoyed the hills and trails of Gnaw Bone Camp. A little rain did not interfere with our activities. Had the usual cook-out on Sunday. The Sunday evening program featured the Johnson County Folk singers. This year they sang in the dining room. Sunday morning before the hike, we had the usual flag raising ceremony reciting the pledge of allegiance while Allen Pekar played taps.

MAMMOTH CAVE NATIONAL PARK - The middle of June found some 30 people enjoying the trails at Mammoth Cave Park. There was lots of hiking, with many of the longer hikes on trails across the Green river. Some camped and some stayed in various motels in the area. The trailhead for all hikes was the Camp store. Had lots of fun around the camp fires.

NEW HARMONY, INDIANA - This labor day weekend was enjoyed by some 77 members and guests in the historic old community of New Harmony. We stayed in the beautiful New Harmony Inn. Hikes explored the old town, and we also hiked at Harmonie State Park, a few miles down the road from the town. Saturday evening we met in a couple of lodge rooms for a social hour to talk and get better acquainted. In the great room near the admissions office, we met Sunday evening for a program featuring videos of Isle Royale National Park - one of our least visited areas. We ate at the Bayou Grill in the hotel, but some visited the beautiful Red Geranium restaurant next door. Extremely hot, but still got in lots of hiking. The flowers and landscaping around the grounds were beautiful.

---

The Indianapolis Hiking Club is successful because of the dedication and hard work of so many people. Publication of the yearly Trail Blazer is possible because of the hard work of a few special people. Thanks to the pathfinder, Marsha Hutchins, and to the membership officers, Jean Ballinger and Marti Applegate. Marti stepped into some large shoes to fill and did a fantastic job in recording the mileage of the members, and keeping track of the hikes and leaders, particularly with so many hikes in one year. Thanks to many others including the hike leaders and the officers who directed the activities of the Club

---

On the following pages is a listing of the mileage records of each member. New members voted in during the year are listed at the end with the month of admittance in front of the name. Following that is a listing of hiking activities of children and grandchildren of members.
