

THE TRAIL BLAZER

The Indianapolis Hiking Club

(Happiness - A Step at a Time)

VOLUME FORTY ONE
2008 EDITION

The TRAIL BLAZER is published each year as a record of the Club's activities during the year and a record of member's accomplishments. During 1956 a group of people were working on the Yellowood Trail, a 22 mile cross country hiking trail about 50 miles south of Indianapolis. They were operating under the banner of American Youth Hostel. In January of 1957 several of them met to create a hiking club separate from AYH. Thus January 23, 1957 is the official date of the birth of the Indianapolis Hiking Club. The Club has always followed the ideals of the founders as stated in the Club constitution: "The purpose of the Club shall be the encouragement of the love of nature; the dissemination of knowledge of the attractions of the out-of-doors; the promotion of outdoor recreation in the form of hikes and outings; and the sponsoring of other activities incidental to the foregoing".

The Club is 51 years old and there have been many changes in that 51 years. Recreation has changed and newer members have different desires in the way of outdoor recreation. However the Club has always remained faithful to the primary objectives for which it was founded. Last year the Club scheduled 1589 hikes and 3 Club sponsored overnights. There were several hiking trips involving overnight lodging. We had our summer picnic and our Holiday party. There were 2 General Assemblies open to all members. As of October 1, 2008 the Club had a total membership of 750.

A voluntary organization such as the Indianapolis Hiking Club has a great need for dedicated officers to run the Club. During 2008 the Club has been most fortunate to have the following people serve as officers and board members in guiding the Club's activities.

ANNUAL SCHEDULED EVENTS

THE CHRISTMAS PARTY - The Club gathered this year at the Clermont Lions Club Hall on December 2nd, 2007 for the annual party during this festive season of the year. Old timers and newer members enjoyed with interesting conversation the social hour before the meal. The pitch-in as usual was a great success. Lots of fried chicken along with some of the member's special recipes. The Lilly Choir entertained us with some beautiful harmonizing, and we sang along on some of the songs. We had a visit from Santa Claus.

A SUMMER PICNIC - We met again at Shelter "B" at Eagle Creek Park on July 22nd. A great morning hike followed by a social get-together with the late arrivals before we ate. Special recipes added to enjoyment of the fried chicken. Lots of good desserts. And again many formed conversation circles and enjoyed the afternoon.

GENERAL ASSEMBLY MEETINGS: - The Spring meeting was on March 13th at the Wayne library. We started with general announcements by the President. Then the financial report by Mary Ann Layman. The program featured Will McLaughlin who spoke on "Helping to Manage your Health". After that the winners of the 2007 IHC Achievement Awards were recognized. And then the members who had completed 15 or more Anniversary Hikes were announced. The Fall meeting was at the Earth Discovery Center in Eagle Creek Park. After the announcements by the President and the financial report by the treasurer, there was the election of officers for the next year beginning on October 1, 2008. The past President's pin was presented to the outgoing President Ron Higdon. Ron then presented the President's cane and gavel to the newly elected president, Cheryl Conwell. The program for the evening featured Harry Ryder who presented his impressions and recollections of the life and times of Jame Whitcomb Riley, the famous Hoosier poet. We all helped recite "Little Orphan Annie". The General Assembly meetings are excellent times for newer members to become acquainted with older members and to meet the officers of the Club. Refreshments are always available.

CLUB SPONSORED WEEKEND OUTINGS

SPRING MILL STATE PARK - March 14,15,16 2008 found many members and guests enjoying the beauty of this State Park in the middle of Winter. There were 72 who stayed 2 nights in the beautiful hotel. And some 13 others came down during the day to hike. Mary Ann Layman led some great hikes, and the shorter hikers found enjoyment in hiking through the Village and surrounding areas. The beautiful Lakeview Room held the buffet Saturday evening. We enjoyed an interesting video of the Grand Canyon National Park and the mule trip to Phantom Ranch, along with scenes of the Colorado River and a visit to an Indian Village. A great way to relax and enjoy the beauty of our great State of Indiana.

MEMORIAL DAY WEEKEND AT GNAW BONE CAMP - This beautiful camp with many miles of trails in the hills and valleys of this part of Brown County was enjoyed by some 51 overnights and 52 day hikers. Mary Ann as usual led many miles of hikes and found most of the hills. Sunday evening we were again entertained by the JOHNSON COUNTY FOLK SINGERS under the direction of Linda Norton. We enjoyed a social hour of tid bits and cold drinks Sunday afternoon before supper. In between hikes we played cards or walked to the lake, etc. Monday morning we formed a circle around the flag and recited the pledge of allegiance as we thought about the true meaning of Memorial Day. Adding much to the occasion was the sound of taps in the background as played by Allen Pekar. After the Monday morning hike we all headed for home remembering another great time at Gnow Bone.

STARVED ROCK STATE PARK - LABOR DAY WEEKEND - There are some 18 major canyons along the Illinois River in the lovely State Park in Illinois. Many miles of trails plus more trails in nearby Matthiessen State Park. We stayed in the beautiful Lodge. Mary Ann Layman led some 33 people on a variety of interesting trails. An interesting part of this area are the locks and dam as part of transportation corridor from Chicago to the Mississippi River. This could be seen from some of the overlooks on the trails. We enjoyed eating in some of local restaurants as this is quite a resort area.

OUT OF TOWN HIKING TRIPS (INVOLVING OVERNIGHT LODGING)

HOCKING HILLS, OHIO - The third week of October the Club visited this unusual area of Ohio. They hiked in areas with unusual names such as: OLD MAN'S CAVE, ASH CAVE, ROCK BRIDGE, and LAKE HOPE. This area has hills and cliffs and many of the trail are rugged. Mary Ann Layman, Jill McFall, and Anna Buckholz led the hiking.

ANNUAL SMOKY MOUNTAIN TRIP - The third week of April found some 50 hikers enjoying the trails in the Smoky Mountains area near Gatlinburg. Ed Wright, Marti Applegate, Jim Shoufler and Ron Mutzl led the hikes. Hikes included Charlies Bunion, Little River, Cucumber Gap, Mt. LeConte, Laurel Falls, and Sugarlands trail. There was also lots of sightseeing in this lovely area of the Appalachians.

C&O CANAL ONE DAY HIKE - This was led by Rita and Frank Bymaster. Some 14 hikers (9 members and 5 guests) took part in this event. They spent Friday night in Harpers Ferry, then went to Washington DC on Saturday morning to begin the hike around 2:30 AM. This annual event is sponsored by the Sierra Club. Total distance of 100 K (62 miles).

BAD LANDS AND BLACK HILLS - This trip from September 9th to the 12th was led by Charlotte and Phil Slaughter. Over 75 hikers enjoyed the beauty of Custer State Park, Sheridan Lake, the Badlands, and Spearfish Canyon. Plus visiting Mount Rushmore was a special part of the visit to this part of the old West. Some of the hikes included Sylvan Lake, Harney Peak, and Flume trail.

THE TETONS AND YELLOWSTONE PARK - During the middle of September some 70 hikers enjoyed the beauty of this wild and scenic area of the Rockies. Jean Ballinger sponsored this event. Helping her as hike leaders were Narcisso Povinelli, Jennifer Rhamy, Ron Mutzl, and Jeff Edmondson. Some of the trails included String, Bearpaw, and Trapper lakes. Included was a visit to Yellowstone National Park and some of the trails there. Hiking in Cascade Canyon and visit to Lake Solitude was especially interesting. The Jackson Hole Ski Resort and Holly Lake were included near the end of this visit to the "Wild West".

A BRIEF REVUE OF THE HIKING ACTIVITIES DURING THE YEAR

We had a more or less typical year for Indiana. Except for the extensive flooding in the summer, particularly in Columbus, Franklin, Martinsville, and other southern areas. We had some extreme heat in addition to the beautiful days. The usual rain and snow. 55 hikes were cancelled, some because of attendance, but many because of snow or rain. October started out with some extremely hot days in upper 80's and low 90's. The heaviest rain came in June. The year ended with very hot days in September.

The Club scheduled hikes is most of our Parks and Forests. Included were hikes in Brown County Park, Turkey Run, Clifty Falls, Spring Mill, McCormick's Creek, Mounds, Whitewater, Shades, Lincoln, Summit Lake, Versailles, and Raccoon Lake. We also hiked in most of the State Forests such as Morgan Monroe, Yellowwod, Jackson and Martin. Much hiking was done in parts of the Hoosier National Forest including the Knobstone. Also at Muscatatuck National Wildlife area. David Kincaid led many hikes in the State of Ohio. Our weekday hikes included many areas in and around Indianapolis such as: Eagle Creek Park, Ft Harrison, Holliday Park, the Monon trail, the Canal Tow Path, Zionsville, Franklin, Greenfield, the Lockerbie area, Garfield Park, the Pleasant Run Trail, and many other areas in each section of the city. Please consult your hiking schedules for a complete list of hikes.

Each year the Indianapolis Hiking Club has been fortunate in having so many of the members actively supporting the hiking program. This Club is indebted to the many officers who have given so much of their time and effort in guiding the activities of the Club. Special to the pathfinders, Ed Wright and Jean Ballinger, for presenting such an interesting schedule of hikes. A special thanks to the membership officers, Mary Williams and Ellen Mutzl. Ellen is leaving the post after many years of service and we express our thanks for the many hours she put in keeping track of the member's mileage.

The mileage achievements of the members are listed on the following pages. NEW MEMBERS are shown at the end of the report. Following that is a listing of children of members.
