Labor Day Week End, September 3, 4 and 5 -- Mammoth Cave and Vicinity

We are planning a big Labor Day week end outing at Mammoth Cave in Kentucky, approximately 200 miles away. We hope to do a lot of exploring that week end, both underground and above ground, as well as visit points of interest along the way. Transportation will be via car pools. The hotel accommodations are extremely reasonable. For those who desire to camp out, the park has very adequate facilities. Hotel reservations will be made individually or in small groups (rates are cheaper in groups of four). Those who plan to go should call hike leader so that travel arrangements can be made. Also contact leader for further information on hotel rates, etc. Leader: Bill Murphy, ME 8-8615.

NOTE TO HIKE LEADERS: Please report any new hikers to Walter Handy
