PRESIDENT'S CORNER

Weather happens. (Isn't my grasp of the obvious wonderful?)

Some times it rains out hikes. (I called one off recently when I realized that the ducks were making better progress than we were.) And some times in the midst of soggy spring, we are granted a day of gloriously good weather like Saturday, May 4th.

In surprisingly good weather, dozens of Club members did the **Mini-Marathon** here in Indianapolis this year and a festive time was had by all. If you've never done it, consider it for next year. Especially if you've never had anyone cheer you on just for walking. As you walk the flat, paved course the streets are lined with people there to watch and to encourage you. There are bands, cheers, and water stops to urge you on. And if you're still skeptical about it, ask some of our members who've done it. People like **Joanne Applegate** and **Anna Gehring**, two of our senior hikers who competed so well this year that they finished 7th and 8th, respectively in their age category. But when you ask them, be sure to congratulate them as well. (Well done, Anna and Joanne.)

Please also thank all the IHC volunteers who turned up for Take Pride in America Day to help **Ron Craig** with trail maintenance at Hardin Ridge in Hoosier National Forest. (If they weren't maintained, we couldn't hike them!!) Each of us is indebted to Ron for his faithful attention to this every year. Joining him this time were **Marti Applegate**, **Mary Lester**, **Jill McFall**, **Barb McNeely**, **John Moore**, **Pat Thomas**, **Charles Beard** and **Cindy West**, plus three non-members **Paula**, **Dennis**, and **Charles**, Pat's new husband. Please let them know you appreciate their efforts. I certainly do. (Bravo, folks, and thank you very, very much.)

Others deserving our thanks are the volunteers who will be helping **Cindy Owens** on June 1st, National Trails Day, **Allan Roberts**, **Anna Lee Johnson**, **Kristina Kim**, and **Libby Moore**. They will be at the Children's Museum's Richey Woods representing the Club and giving many children and families their first taste of hiking. Now the families, the children, and the Museum will appreciate that. Thank you.)

*** SELF-GUIDED HIKES:** Your leader is obligated only to sign you up and furnish you a map or instructions. If you do not want to walk alone, a good idea would be to plan for a partner ahead of time.

Also that day, there is another opportunity to help with much needed trail maintenance. If you were busy on Take Pride in America Day, please join me on **June 1st, National Trails Day**, at Deam Wildemess in the Hoosier National Forest doing trail cleanup and maintenance on the Peninsula Trail and lake shoreline in Deam Wildemess starting from the Grubb Ridge trailhead at 10:00am.

Remember, the **third Saturday of every month** you can join IHC member **Suzanne Mittenthal** (765-349-0204) in trail building and maintenance efforts at Brown County State Park beginning from at 9:00 AM at the West Gate (Bloomington side, SR 46). There is so very much to do that no matter what your age or ability, suitable work is available rehabbing the trails of our premier state park. Also if you are rained out (or flooded out) one month, there is always next time. Remember if they weren't maintained, we couldn't hike them!!
Happy Trails,

Bruce
