PRESIDENT'S CORNER

"Happiness - a step at a time" is the club's motto. Members see hiking as part of a healthy, active, and social lifestyle. They are positive and proactive. They reach out to others in the community. They are mature and realistic about what it takes to lead "the good life". The motto reflects a welcoming and inclusive spirit. Anyone who braves those first two trial hikes is invited to join. Each member is free to define the steps to happiness on his or her own terms. This is a place where diverse beliefs, generations, genders, backgrounds and hiking speeds (!) are respected and connect each day.

The officers support the social aspects of the club in many ways. Cindy Owens and Pat Lawler coordinate events such as the two general assemblies and the two parties. Bill Larrison schedules the major state park outings and keeps us informed of member health and celebrations. Cherie Voegel makes sure that guests and new members are welcomed to the club initially and on subsequent hikes.

If it's just too dark and cold to hike in February, pick up a book and travel somewhere in your mind. Hiking club members suggest these three very different books:

Under the Tuscan Sun: At Home in Italy (1996) by Frances Mayes

The Professor and the Madman: A Tale of Murder, Insanity and the Making of the Oxford English Dictionary (1998) by Simon Winchester

The Music of the Primes: Searching to Solve the Greatest Mystery in Mathematics (2003) by Marcus du Sautoy

Happy hiking and happy reading,
Tom Kapostasy
