### PRESIDENT'S CORNER

It's summer time and the living is easy. Or is it? All of us are affected by many negative social, political and economic circumstances. Strained or lost relationships, job loss, the high cost of living can cause heart ache, sadness, stress and turmoil. How we "get through" these situations can dictate our future growth or lack thereof.

The Indianapolis Hiking Club directly and indirectly promotes positive growth as human beings in a world filled with negative influences. My observations are a witness to our members nurturing self-respect, friendship, goal and reward avenues and providing healthy antidotes to the human condition and our everyday lives. This natural occurrence gives us not only solutions to problems but also gives us an "edge" in keeping our mind, body and soul ever-expanding toward new adventures and growth opportunities, and diminishing crisis and pain. It seems to me that our abilities to effect positive life styles is directly in proportion to our level of participation in our many hikes, General Assemblies, outings, Christmas parties and special events.

Imagine just for a moment, what your life would be like *without* the Indianapolis Hiking Club.....Would you be as happy? Would you be living active lives? Have better than average relationships, more or less stress, medically at more or less risk? Certainly, the IHC is not divine, magical or the cure all for all that might ail you but it is as an organization of good and caring people contributing significantly to our overall progress. Believe it and spread the word.

And now focus your attention on some significant events both past and future. We were very honored to receive a *50th Anniversary congratulatory letter from the President of the United States*. He appreciated our contributions especially for our use of the National Parks system. We also received a *Certificate of Recognition from the Hoosier Hikers Council* for many years of support. Unfortunately, the interview with channel 13 at Eagle Creek Park was cancelled due to a staffing shortage at the station. We appreciate all those who planned to attend and hope the late notice did not inconvenience too many of you.

A new *Trail Maintenance Form* and a list of trail maintenance opportunities is now available on our web site, [www.indyhike.org](http://www.indyhike.org). Go to the hot link, [Achievement Awards Program](#) to print out a copy of this form to document your trail maintenance efforts for the Annual Achievement Award Program.

Also, please make sure to get your 50th Anniversary logo gear ordered from either Mary Ann Layman or Cherie Voege to continue our yearlong celebration and hike with pride campaign. See a recap of the

merchandise still available immediately following my remarks. Make sure to check out the 50th Anniversary hikes in this hiking schedule at Ft. Harrison, Clifty Falls, Muscatatuck and Morgan Monroe too.

Finally, mark you calendars for the September 13th General Assembly Meeting at the Glendale library. We will conduct elections, feature a special guest speaker, and give a State of the Club review with a few surprises too.

Here's to your well-being and thank you members, hike leaders and board members.

Respectfully Submitted, Joe Scherrer - President, IHC

The following 50<sup>th</sup> Anniversary hikes are included in this schedule. They either recreate hikes done in the Club's first year - 1957 or recognize important IHC leaders. Check the hike description on the date indicated for hike details. See [www.indyhike.org/hikes](http://www.indyhike.org/hikes) for a list of all the anniversary hikes.

August 11                      Leader being recognized - Marsha Hutchins

Marsha is one of the Club leaders in hikes led each year and has led about 500 hikes since she joined the club in July 1975. At that time, the Club had only one hike per week. As the longest serving Pathfinder, Marsha greatly increased the number and variety of hikes, including starting the evening self-guided walks. Her current specialty is short slow scenic or informative hikes. In 1996 when Fort Harrison officially opened as a State Park, Marsha was there scouting a hike for the Club. Because that hike proved to be very popular, Marsha has repeated it often and has chosen it for her recognition hike.

August 18                      1957 Hike - Clifty Falls State Park

This was a summer overnight trip led by Mary Kunze and Ed Stresino. The Club met at 1:00 PM on Saturday at Pleasant Run Parkway and Meridian and carpooled to Clifty Falls.

September 8                      1957 Hike - Muscatatuck Wild Life Refuge

Al and Bonnie Moos met the group at 10:00 AM at the Indiana State House for the 66 mile trip to the park. Food was taken for lunch and an evening cookout.

\* SELF-GUIDED HIKES: Self-guided hikes are intended to allow you to walk at your own speed. Your leader is obligated only to sign you up & furnish you a map or instructions. If you do not wish to walk alone, plan for a partner ahead of time.

September 22      Leader being recognized - Margaret Franzen

Joining in October 1967, Margaret is one of our longest tenured members. She presently resides in Richmond and has many fond memories of her adventures with the Club. She and her husband, Heydon, were the primary leaders of many of the early long distance (15-20 mile) wooded hikes. With their pockets full of ribbons they used for trail markers, they scouted many of their hike routes. In her earlier years Margaret was instrumental in working on many of the trails we use today, including the Knobstone Trail. The Morgan Monroe hike she has chosen is in one of her favorite areas.
