Hikers should arrive at the meeting location at least 15 minutes early. This will enable the leader to complete sign-ups and start the hike on time. When adverse weather conditions prevail, the leader may reroute, shorten or cancel a hike. It is a good idea to check with the leader ahead of time if the weather is inclement.

Interested in leading a hike? Contact pathfinders: Jean Ballinger (276-2050 daytime) jballinger@lilly.com for weekend hikes or Ed Wright (219-5536) ewright@indyhike.org for weekday hikes.

CLUB HATS: We have received a limited shipment of new hats displaying the Club logo. Two styles are available: mesh hats (same as we offered in 2007) are available for \$11 each; Adams baseball caps (same as we offered five years ago) are priced at \$12 each. Check out photos of the new hats on the Club web site at www.indyhike.org/store. To purchase a hat contact Mary Ann Layman at 881-8416 or via e-mail at malayman@earthlink.net. Also, Board members will offer them for sale on many hikes. The supply is limited and based on past experience the hats will sell out fast.

PRESIDENT'S CORNER: Hi everyone, I hope all of you are enjoying your summer. Unfortunately, many Hoosiers are not. The severe weather this spring and summer has had a devastating impact on thousands of families. Many have lost everything, including their homes. Maybe you have witnessed some of the flood and wind damage while hiking through one of the storm-ravished areas. If not, I'm sure you have seen pictures of the devastation in the media. In response to repeated requests of "How can we help?" the Board has decided to solicit donations for disaster victims from the membership on hikes during the months of August and September. To keep the collection process simple, Board members have volunteered to collect money (cash or check) during these two months. Or you can send a check to our Treasurer, Mary Ann Layman, 3871 W. Fairview Road, Greenwood, IN 46142. Checks should be made out to the Indianapolis Hiking Club with "Disaster Assistance" written in the memo section of the check. In addition to your donations, the Board has agreed to match up to \$1,000 of member donations from the Club treasury.

After investigating many worthwhile relief agencies, the Board selected the Salvation Army to be the recipient of our donations. We have been assured that 100% of the money will be used specifically for disaster relief in the Indiana communities that need help the most. Check out the good work the Salvation Army is doing in Indiana by going to their website www.sa.org.

In addition to our disaster relief efforts, several members have expressed interest in another good cause, replacement of the famous Moscow covered bridge that was lost in the recent storms. If you would like more information about how you can help, please contact Julie Litten at 765-663-2739.

I urge all members to attend the General Assembly that will take place at the new Earth Discovery Center in Eagle Creek Park on Thursday, September 4. See the write-up in the schedule for complete details. At the meeting we will elect a new slate of officers who will assume their duties on October 1. I want to thank our nominating committee - Sandy Fillenwarth, Rick Maxwell and Mary Williams - for presenting us with an excellent slate of candidates.

Respectfully, Ron Higdon, President

LABOR DAY WEEKEND AT STARVED ROCK STATE PARK, ILLINOIS (For members and their invited guests) The Club has reserved rooms at the Starved Rock State Park Lodge located near Oglesby, IL. The old lodge is located on a bluff above the Illinois River near Lock # 14, across the Illinois River from Utica, IL. Reservation supplement for this event was included with the last schedule. Please consult the supplement for more details and driving directions. Deadline for reservations in the lodge is August 1. For additional information or if you have misplaced the supplement, call Mary Ann Layman at 881-8416 or at malayman@earthlink.net or contact Bill Larrison at 388-0498.

Moderate speed hikes are planned. We will be hiking in an area where there are 18 canyons formed by glacial melt water and stream erosion. At Starved Rock the canyons slice dramatically through tree-covered, sandstone bluffs for four miles along the Illinois River. Legend says that a band of Illiniwek Indians sought refuge atop a 125-foot high sandstone butte and were surrounded by Ottawa and Patawatomi Indians. The hapless Illiniwek died of starvation, giving rise to the name "Starved Rock". We will be hiking up to this butte that has a beautiful view of the Illinois River and lock #14 as well as hiking into many of the box canyons where we will see waterfalls. We will also be hiking in Matthiessen State Park located two miles from Starved Rock. Here we will descend into a canyon that has an upper and lower section. There will be stepping stones and stream crossings, waterfalls to enjoy and unusual rock formations. Tentative hike schedule (all times are local Central Daylight Time): SAT 2:30 PM (which is 3:30 PM Indiana time), SUN 9:00 AM, MON 8:30 AM.

World War II. The other night hike will go up Capitol Hill and back down along Pennsylvania Avenue and around the White House. There will be longer hikes starting in the morning on Saturday and on Sunday; one of which will be through Arlington cemetery. Most of the hikes will start on the Mall side of the Smithsonian Castle; the Smithsonian Metro stop Mall exit is within one block. The Metro is convenient and easy to use; it will be your friend. There will be plenty of free time to sight see, visit museums and dine on Friday and Monday afternoons and Saturday and Sunday evenings. Hotels options (sorry no group rates) include the Holiday Inn Capitol (202-479-4000) which is three blocks from where the hikes will start and the following Northern Virginia hotels in (1) Crystal City-Sheraton, Hampton Inn, Hyatt and Marriott and (2) Pentagon City-Courtyard Marriott. These should all be near the Metro but be certain to ask. Any hotel on or near the Metro should work fine. Usually, the further out the better the rates. I will host a planning meeting in Feb/Mar 2009. Jeff Edmondson (733-0143)
